Business Online Banking login and the secure URL address has changed.

Login button

1. Click the main **Login button** from the FLCBank website and a drop down menu will appear to access Business Banking and Personal Banking.

2. Click the **Login button under Business Banking.** You are no longer required to enter your User Name before clicking login.

3. A secure website page will appear where you enter in your **User ID and Password**.

   You will use the **SAME credentials** as before. Your Username and Password will remain the same. If you are currently using a token, follow the same log in procedures. There is no need to get a new token.
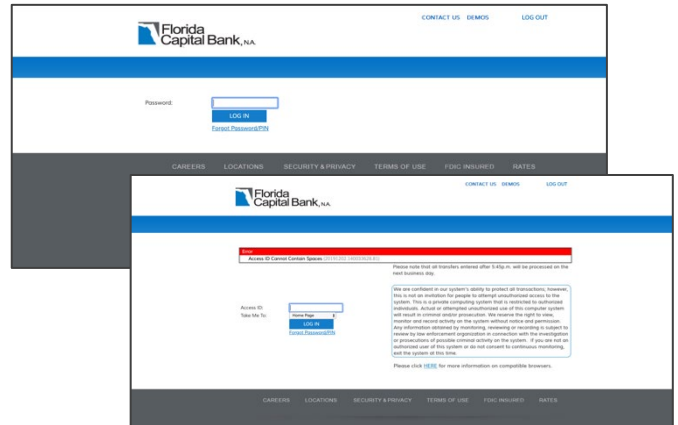

Bookmark/Favorite

If you bookmarked or saved the FLCBank website as a favorite, you will access Business Online Banking as usual.

If you saved the secure login page below, you will need to update your Bookmark/Favorite:
https://web13.secureinternetbank.com

If the old Florida Capital Bank logo appears on the login page, you are on the old version of Business Online Banking. You need to update your Bookmark/Favorite.

NOTE: If you see the old Florida Capital Bank logo you are on the old platform.
